

Approved Law Firm Instructions

If a candidate wants the university to sponsor an application for H-1B or Permanent Residency, the university must approve the law firm that will process and file the application. Therefore, Rice University recommends these “pre-approved” firms:

- 1) Attorney Judy Lee, from the law firm of FosterQuan, LLP;
<http://www.fosterquan.com>; tel.713-625-9229, or
- 2) Harry Gee Jr. & Associates; <http://www.harrygee.com>; tel. 713-781-0071

Exception: Should the candidate choose to use another law firm, prior review and approval from Rice’s Office of the General Counsels must be given in order for Rice to sponsor it.
