CPT is a curricular requirement that allows F-1 students to gain temporary work authorization in order to complete course requirements in their “major area of study”. According to the Code of Federal Regulations, CPT is “alternate work/study, internship, cooperative education, or any other type of required internship or practicum which is offered by sponsoring employers through cooperative agreements with the school” [8 CFR § 214.2(f)(10)(i)]. The regulations state that CPT must be an integral part of an established curriculum.
