As a condition of your J-1 status, please read over carefully, **initial** each statement, and sign.

I, \_\_\_\_\_ (print first and last name), plan to come to Rice University as a J-1 Exchange Visitor and understand that I am responsible for maintaining my immigration status while in the U.S., which includes but is not limited to the following requirements:

\_\_\_\_\_ 1. I have reviewed the J-1 Health Insurance PowerPoint on the OISS Scholar Health Insurance web page and understand that I must maintain health insurance for myself and my J-2 dependents throughout my entire J-1 stay. I understand that I will be required to provide proof of health insurance to OISS. **Furthermore, I understand that if I neglect to purchase health insurance or maintain coverage for myself or my dependents, I will be terminated from the J-1 program by Rice University and the termination reported to SEVIS and the U.S. Department of State, as per 22 CFR 62.14.**

\_\_\_\_\_ 2. I understand that if my dependent(s) come to the US separately, at a later time, they need to check-in with OISS and show proof of health insurance upon their arrival. I understand that it is my responsibility to maintain health insurance for my dependents and provide proof to OISS at the time of their arrival. (22 CFR 62.14(h))

\_\_\_\_\_ 3. I understand that if I am requesting an extension of stay at Rice, I will not only need to work with my academic department for the required extension documentation, but that I will also need to submit updated proof of insurance for myself and my dependents for the additional time before my DS-2019 is updated. (22 CFR 62.20(i)(3); (22 CFR 62.14(b))

\_\_\_\_\_ 4. I understand that I may need to provide OISS with original financial documents upon my arrival in order to verify my financial status. (22 CFR 62.12(b)(1)(i))

\_\_\_\_\_ 5. I understand that I must have a valid passport (at least 6 months into the future), a valid DS-2019 and an I-94 stamp with J-1, D/S to be considered in-status in the U.S.

\_\_\_\_\_ 6. I understand that I may never work outside the Rice University academic department listed on my DS-2019 unless I have first received authorization from OISS. I also understand that I must inform OISS if I end my program or leave before the end date indicated on my DS-2019. (22 CFR 62.16), (22 CFR 62.23(f)(2))

\_\_\_\_\_ 7. I understand that I must report changes to my U.S. address by updating my ESTHER account within 10 days of an address change. (22 CFR 62.10(d))

\_\_\_\_\_ 8. I understand that I must get a travel signature if I leave the U.S. during my time at Rice and plan to return to resume my program, *as per the requirements stated on the back of my DS-2019 form*. If I plan to stay out of the country for an extended period of time, I also understand that I will need to get authorization to do this from both my academic department and OISS **before** I go.

\_\_\_\_\_ 9. I understand that I must report if my dependent(s) leave the U.S., and do not plan to re-enter, by emailing [oiss@rice.edu](mailto:oiss@rice.edu) within 10 days of their departure. (22 CFR 62.13(a)(4))

\_\_\_\_\_ 10. I understand that I may have the opportunity to transfer my J-1 status to another academic institution to work on the same research objectives, but that I must first meet with OISS about the process and the timeline. (22 CFR 62.42)

\_\_\_\_\_ 11. I understand that I must report any of the following situations to OISS as it may affect my immigration status: birth of a child, marriage, change of legal name, divorce, hospitalization, long periods out of country, etc. (8 CFR 214.2(j)(1)(viii))

\_\_\_\_\_ 12. I understand that I must participate in American cultural activities and report my experiences to OISS. (22 CFR 62.8(d)(2))

\_\_\_\_\_ 13. I understand there may be restrictions on returning to the U.S. after my J-1 period ends. Click [here](#) for more information. (22 C.F.R. § 62.20(d))

\_\_\_\_\_ 14. I understand that applying for the 212(e) waiver while I am under Rice University's J Exchange Visitor sponsorship carries significant visa implications and limitations to visa extensions, institution transfers, and funding for change of visa status to H-1B. As such, I understand it is in my best interest to discuss the timeframe for applying for the 212e waiver with an OISS advisor. (INA § 212(e); 22 C.F.R. § 41.62(c)-(d); 22 C.F.R. § 41.63; 22 C.F.R. § 40.202; 8 C.F.R. § 248.2(a))

\_\_\_\_\_ 15. I understand that Rice may not sponsor (and/or support) an H1-B, or any other visa, if the 212e waiver process is not discussed and approved by OISS and my academic department prior to application.

\_\_\_\_\_ 16. I certify that none of the documentation or information I have submitted is false. If any documentation or answers I have provided are found to be false, I understand my status will be terminated and I must leave the U.S. immediately.

By signing below, I understand and have read the J-1 Scholar Statement of Understanding and agree to comply with the U.S. Department of State (DOS), U.S. Department of Homeland Security (DHS), and U.S. Citizenship and Immigration Services (USCIS) immigration regulations throughout my time at Rice University in J-1 status.

## Information about the J-1 English proficiency interview at Rice

If you are applying for a J-1 visa to work or study at Rice, you may be required to have an English language proficiency interview. This interview is designed to establish your English proficiency level, as required by the US government for the J-1 visa. The interview results will be used by Rice to determine if you need to take an English language course while you are at Rice.

**You are NOT required to have this interview if you (1) have taken the TOEFL or IELTS test, have your results, and meet the admissions requirements, or (2) if you hold a degree (or high school diploma) from a country where English is the official language.**

A day and time for the interview will be arranged by the Rice department or program with which you will be associated while at Rice. Please wait to be contacted by that department or program. Interviews will be conducted via Skype, so please establish a Skype account (and test your connection) before the interview arrangements are finalized.

The interviews are conducted by staff from Rice's Center for Academic and Professional Communication. At the agreed upon time, the interviewer will contact you on Skype. The interview will take about 25 minutes and has two parts. In the first part, the interviewer will ask you questions about your current work as well as past experiences learning English. In the second part, you will be given a short document to read about working [or studying] at Rice, and then you will be asked a few questions about the reading.

Your results will be sent to the sponsoring department/program at Rice and added to your J-1 application materials.

Please note that Rice adheres to a strict honor code and we expect that you will not receive assistance from any other person during your interview. Actions that could be construed as dishonestly representing your level of English proficiency (such as having an interpreter in the room with you during the interview) can result in the withdrawal of your invitation to come to Rice.

If you have additional questions about the English proficiency interview or the J-1 visa application process at Rice, please contact the Office of International Students and Scholars at [oiss@rice.edu](mailto:oiss@rice.edu).
